

ORGANIZED STALKING- DIRECTED ENERGY WEAPONS

VOICE TO SKULL TECHNOLOGY- SMEAR CAMPAIGNS- TORTURE

INTERNATIONAL TARGETED INDIVIDUAL DAY

COVERT HARASSMENT- FALSE STATEMENTS- CORRUPTION

is a day for survivors of directed energy weapons,
voice to skull technology, and organized
stalking to gather in unison across the globe
and peacefully raise awareness about the
existence of no-touch torture programs and
how their intrusive surveillance and strategic
stalking techniques, along with their not-so-secret
“covert” electronic harassment campaigns,
are affecting more people than just the diplomats
you hear of in mainstream media. Please
research our community to learn more about
these outrageous crimes against humanity
and help us stop this torturous plague as soon
as possible!

AUGUST 29, 2018 INTERNATIONAL TARGETED INDIVIDUALS DAY

Targeted Individual: An individual who has been placed into a program of psychological and often physical warfare tactics which are orchestrated by criminal organizations, corrupt politicians, and law enforcement personnel

Covert Harassment: Also known as *gangstalking* or *organized stalking*, is a highly criminal campaign directed at a targeted individual that aims to destroy an innocent person's life through slander and carefully executed psychological and physical assaults

Slander Campaign: An intentional, premeditated effort to undermine an individual's reputation, credibility, and character

Directed Energy Weapon: Also known as *DEW*, is a ranged weapons system that inflicts damage at a target by emission of a highly focused energy, including (but not limited to) radio, laser, microwave, sonic, and particle beams

Voice to Skull Technology: Also called *V2K* or *V2S*, is a weapon used for transmitting voices with frequencies and can be used to induce or manipulate dreams or deprive the target of sleep
